ORDER

This action for judicial review of the Commissioner's denial of supplemental security income benefits was referred for initial proceedings to United States Magistrate Judge Doyle W. Argo, consistent with 28 U.S.C. § 636(b)(1)(B). Judge Argo entered a Report and Recommendation on June 2, 2010, recommending that the decision of the Commissioner be affirmed. Plaintiff, through counsel, has timely filed an objection to this report, and the Court therefore considers the matter de novo.

In his thorough and well-reasoned Report and Recommendation, Judge Argo sets out the relevant facts and prevailing law, and no purpose would be served to repeat those here. In objection, Plaintiff raises nothing not fully addressed and accurately resolved, and no argument of fact or law is set forth in the objection which would require a different result.

Accordingly, the Court adopts, in its entirety, the Report and Recommendation of the Magistrate Judge (Dkt. No. 28), and for the reasons stated therein, the decision of the Commissioner in this case is affirmed. A judgment will enter accordingly.

IT IS SO ORDERED this 21st day of July, 2010.

ROBIN J. CAUTHRON
United States District Judge
